Instructions to Reviewers:

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the IO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

For Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

This application is subject to the provisions of 35 USC 181, which requires that the applicant file a statement of whether or not the invention is related to a national defense activity. If the invention is related to a national defense activity, the applicant must file a statement of whether or not the invention is related to a national defense activity. If the invention is not related to a national defense activity, the applicant must file a statement of whether or not the invention is related to a national defense activity. If the invention is related to a national defense activity, the applicant must file a statement of whether or not the invention is related to a national defense activity. If the invention is not related to a national defense activity, the applicant must file a statement of whether or not the invention is related to a national defense activity.
